The Santa Fe Trail

1963

Dear Mrs. Knott,

I don't know where to begin but I guess there is no good way to start you off. I'm so sorry just how much I have really enjoyed being in your class for two years. I only hope that my next year will be as fun filled and wild as the others. It's been great fun getting out of study hall and Willard to help you. We always have a blast and it has prevented me being in detention hall so much. (Sit in detention hall so much. (Sit in study hall so talk, and then get caught.)

I'm sure one of the reasons I got teachers around me and I hope you always stay that way. You have a wild way of cheering a person up (with your nutty jokes and all); I know they have helped me a great deal. Honestly, if it hadn't been for you, I may not be in ENS now. I'd probably be kicked out or something.

Being in your class has made my years complete. What am I going to do after graduation? I don't know for sure.

Well, I've at the bottom of the page and still not finished

Dear American Kid,

Yeah, me. I talk all the time (as if you didn't know) and I still can't think of the words to express the way I feel about your personality and you. I only wish all CHS Teachers were like you!!!

See you next year in your natural urban Jim once again "studyhall-skipping."

Lots of luck and love in the future. May God bless you always.

I Love You,
Janis Burdette

P.S. I'm looking forward to the day when my kids will be in CHS and you'll be housemaster of Willard instead of Purnie.

I'll remember you next year and try to fulfill your wishes about the senior colors and class song. Remember??

Love,
Janis

My Strong Shoulder,

Now and where do I begin? It seems especially harder to sign your annual this year than other years. This is the last time I'll be doing this and I'm afraid I won't be able to say what I mean.

Even though I've known you all of my life, you have truly been a part of my life the past few years. Knowing you and being as close with you as I have has really been an experience. You have been such an inspiration to me and have helped me many times when I doubt if others would take the time. Somehow, you've always been there when I needed you the most and it seems those times have been numerous. I've always been able to confide in you and for these reasons and many more, I love you. "Some are born great, some achieve greatness and some have greatness thrust upon them" applys to you in many ways.

You have given me so much — faith, hope, trust and belief in people and life itself. It hurts when I think of what a disappointment I've been to you. I know I have because I've been one to myself. Someday maybe I'll make you proud enough to point at me and say, "See that girl? I know her, I helped her — she's part mine."

Life is such a challenge and it's just now beginning. I sometimes wonder

how I could have made it this far without you and Jim.

Betty Jo, you've been more than just a teacher and friend to me. I'll never be able to tell you exactly what you've meant to me through your understanding and help I can face things I never before thought possible. It's really been great working on the Yapsurvey with you. I wish I could have done better. The times have been great. I'll never forget Austin and the time we came back from Tyler.

Well, here I am at the end and I feel as though I haven't said enough. I'm really going to miss you next year. You'll never know how much I've appreciated all you've done for me. For all the times you've wiped the tears from my cheeks, patted me on the back, and given me an encouraging smile, - let me say thank you.

May you always be as happy as you've made me. I'll never forget you.

God bless you now and always.

I love you,
Kay

Dedication

As representatives of the student body, we the staff, proudly dedicate this 1963 edition of the Santa Fe Trail to Mrs. Mary Lake Forrest. Mrs. Forrest has contributed much time and effort in the advancement of the English department in Cleburne High School.

She has devoted many hours as the sponsor of the Student Council. The Student Council has long been an outstanding organization in C. H. S. because of her untiring efforts.

Mrs. Forrest not only helps the students with their studies, but also with their many problems. She is noted for her smiling face and radiant personality.

Because of these things, we proudly and sincerely dedicate this annual of 1963.

Dear Mrs. Knox

Since the first day of Sophomore English I have admired you very much as a teacher and a person — and my admiration has been growing ever since! You are really the greatest of teachers and I just want to thank you for all you have done for me. Not only as help in journalism (I NEED help!) and Eng., but also as the example you have set for me of a person. Through your views and "sermons" I've gained a deep respect for your individuality and integrity. Some day I hope to be able to stand up for convictions as you do! I may never reach my goals in life (I really haven't set them yet, but you have will have been a prime influence on my decision) but I will try.

We have really had some good times in our... this year! Oh, I know it will be even better next year, too!!

May God Bless you and bring you the very best of all Life's joys!

Love,

Cindy

My dear Knox,
Words can never express my feelings at a time like this, so please excuse. I do want you to know, that after all's said and done (and it looks like a lot lately), my four years has been the most rewarding in my high school life. I might not in my grasp at broaden or gain wisdom, but you have done so much to build character and strength that only a person's life can give. I could never thank you enough so instead I'll simply strive to live the life you and so many other have concerned for me.

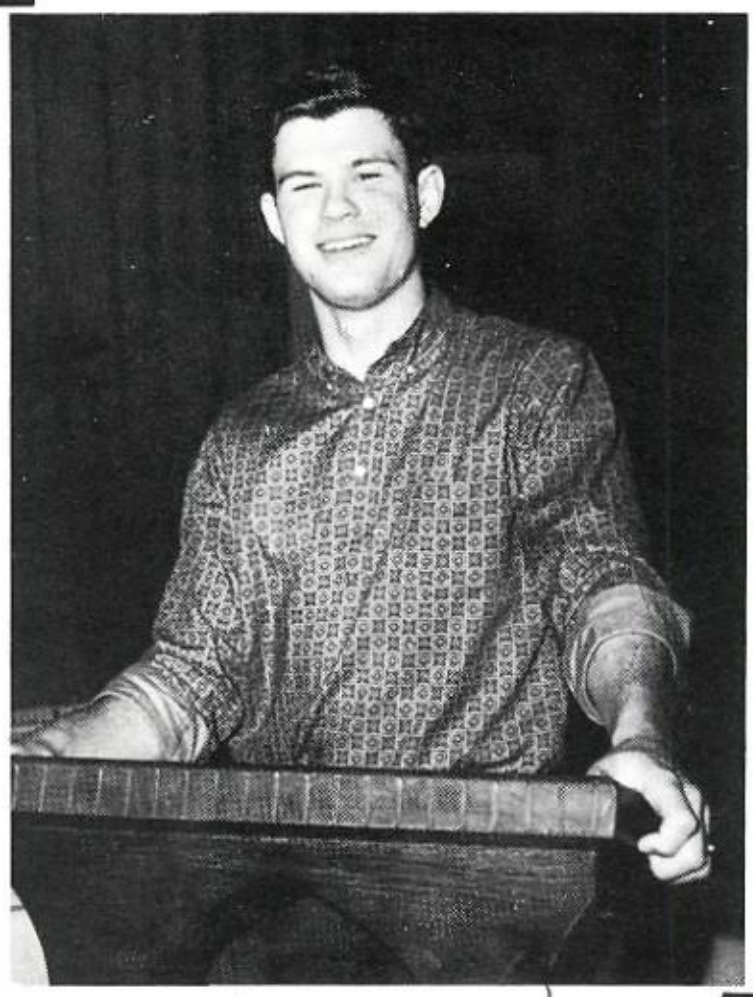
Having served on the Student Council each of her high school years, and as Vice-President this year, CHERYL MEACHAM is very familiar with the leadership in C.H.S. This is verified by the fact that she was class Secretary her Freshman and Sophomore years, is Treasurer of the Senior Class, and is President of Willard House. Her popularity has been proven as she was elected Most Popular her first three years in High School and Best All Round this year.

Who's Who



LARRY JORDAN, Senior Class President, is making his second appearance in Who's Who this year. He is also serving as President of the N.H.S. and Student Council. Because of his winning personality he was chosen to be the Most Popular Senior boy.

To a wonderful person as well as teacher with - our whose influence I might not be here. Thank you for just being a friend

Willard House cheerleader, PEGGY GRIFFITH, has established herself as an outstanding leader of our school. She has been a member of N.H.S. for two years; served as officer of such clubs as J.C.L., Math, and F.T.A., and is Vice-President of Willard House. Of her four years in High School, she has been elected Best All Round two years and Most Popular of the Senior Class.

Left to right: Peggy Griffith, Willard; Robert Williams, Wilson; Eleanor Kennon, Addams; Larry Hearn, Riley; Snooky Flippin, Edison; and Jeannette Halstead, Barton.

The 1962 cheerleaders did a fine job this year, leading the pep rallies, painting posters, and decorating goal posts. These are only a few of the many things this energetic team accomplished in maintaining the enthusiasm of the football fans, the team, and the school spirit.

Dear Mrs. Knox,

Although you have only taught me English one year — you have made a real impression on me — you are a truly a wonderful person — the kind everyone feels is a real friend — if anyone in ~~CHS~~ was in trouble, I'm sure ~~he~~ would come to you! I will always hold your high standards and character before me. I know, therefore, I will make something worthwhile of my life.

Dear Mrs. Knox,

I really can't tell you how much being in journalism this year has meant to me. Sometimes I think if I didn't have this class to look forward to, I couldn't have made it. I've enjoyed this year, but sometimes I don't see how you could stand my stories. I hope I can do much better next year than I have this year.

I appreciated it so much when you didn't even get mad at me when Mr. Cribbs thought I skipped a class. Lots of teachers wouldn't have believed my story (it was the truth.)

I'm really looking foward to second year! I'm very glad you talked me out of bookkeeping.

Lots of love,
Jane Cook

Seriously you're truly a swell person (even if you are a teacher) with one of the best personalities in the world. I'll always remember English and you and cherish the times that have been. Keep that fine line in journalism, but don't work them too hard.
May you always have the best life has to offer.

Mrs. Cook,

I don't know quite what to say because you're the only teacher who has ever made an impression on me. I must say it's the best I've seen in a teacher and understanding as an individual. You're a wonderful person and really must be enjoying life. I hope someday I will be able to see and gain as much from life as you have. I love your personality and your understanding ways. It is a comfort to talk to you and be with you, because you've got the one quality I've always admired and I hope I will be able to instill in people. I've really enjoyed this year and I feel next year will be just as much fun. Keep up the good work as you - I'll never forget you and to a great teacher I love

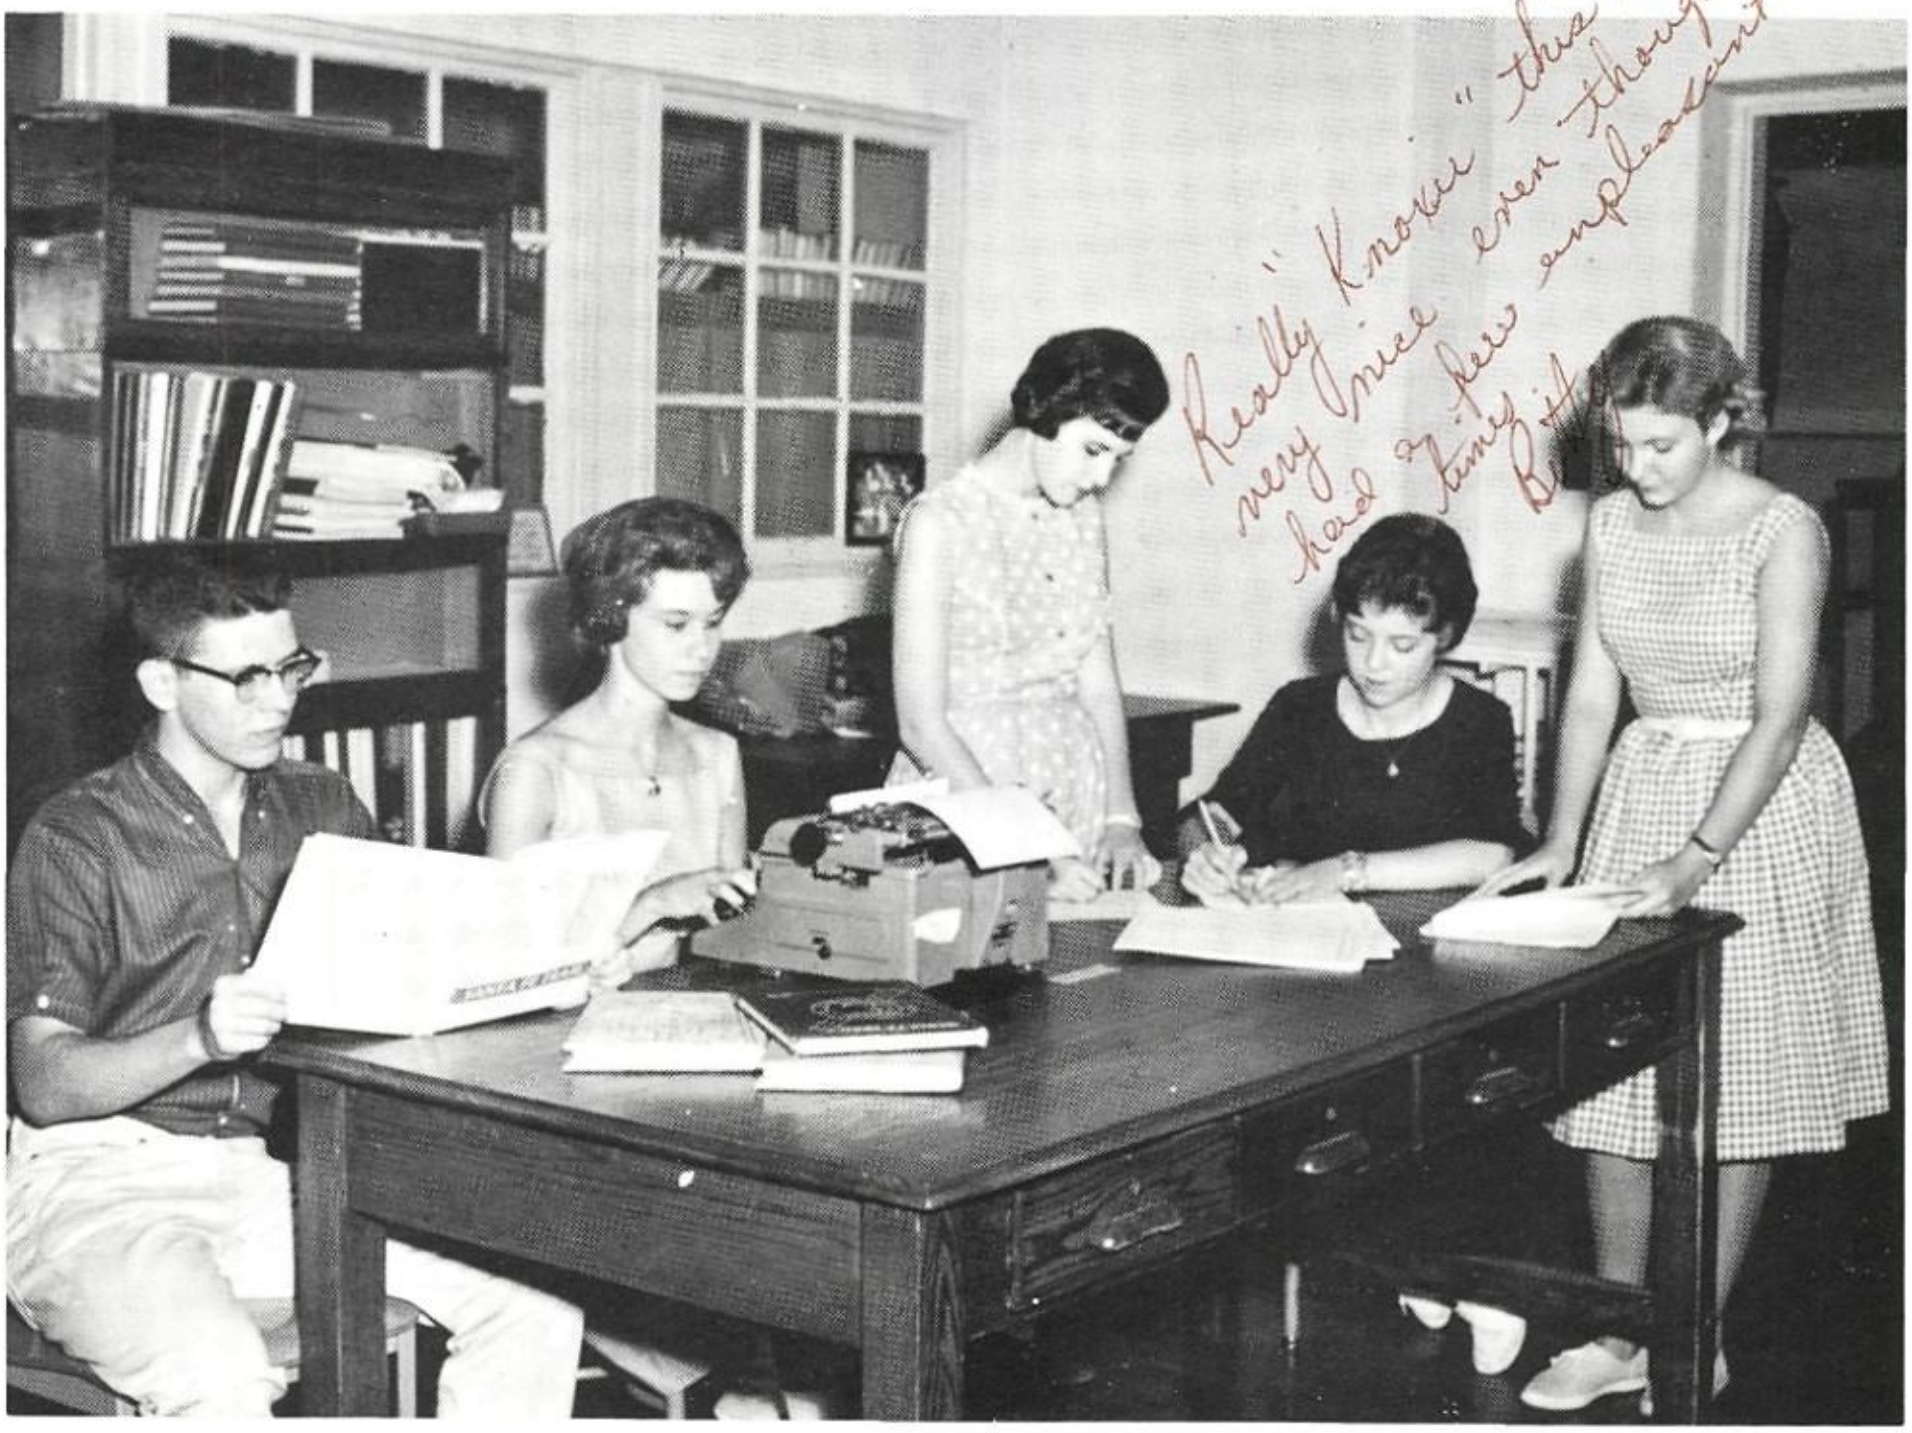
Cleburne High School's first real annual was published in 1916 and was called by its present name, The Santa Fe Trail. Down through the years, annuals have appeared almost every year, with the exception of the depression years when it was financially impossible.

Annuals have two values, present and future. In them and in no other place are preserved facts and pictures which students enjoy now, and which they will enjoy even more in years to come.



The Club and Class sections get an early start on the 1963 Santa Fe Trail.

Student Council

The purposes of the Student Council of Cleburne High School is (1) to foster a spirit of cooperation between the faculty and the student body, (2) to coordinate student activities, (3) to encourage better school citizenship with special emphasis on courtesy, good sportsmanship and the establishment of an honor system, (4) to sponsor and promote certain school projects from time to time, (5) to encourage student responsibility in maintaining high ideals in the school.

Activities that are sponsored by the Student Council are (1) literary events of Interscholastic League (2) invocations at football games (3) selling of football tickets (4) selling of booster ribbons (5) Homecoming Dance (6) Football Banquet (7) furnishing the crown for the Football Sweetheart, and (8) the Christmas Dance.

NATIONAL HONOR SOCIETY

President ..... Larry Jordan
Vice-President ..... Freddy Doerr
Secretary ..... Sandra Hill
Treasurer ..... Peggy Griffith
Reporter ..... Eleanor Kennon

As early as 1900 a need was felt for a club whose members were above average. The National Honor Society of C. H. S. was first organized in 1951. Its first sponsor was Melvin Sharp. Members of N. H. S. must be approved by a board of teachers. The points that they are judged on are their citizenship, scholarship, leadership, and service.

Since 1922 the YAPPER has gained great recognition from students, faculty and merchants. The YAPPER of 1939 was published as a page in the CLEBURNE TIMES REVIEW.

In 1947 a mimeograph machine was purchased; the cost of printing the YAPPER was too high. YAPPER pencils were sold to help the school pay for the printing.

The YAPPER has won many outstanding journalism awards.

Band

The C. H. S. band, under the direction of Mr. Tom Whitson, plays at the football games and other events. The band was first organized in 1935 under the direction of Marion B. Etheridge, who wrote our fight song, "Side by Side." During the war years the band made no trips and was almost non-existent. Mr. Duff, after attending a music school, conducted the band until 1946. During the years 1948-1951 the band made its greatest strides and became known as one of the top marching bands.

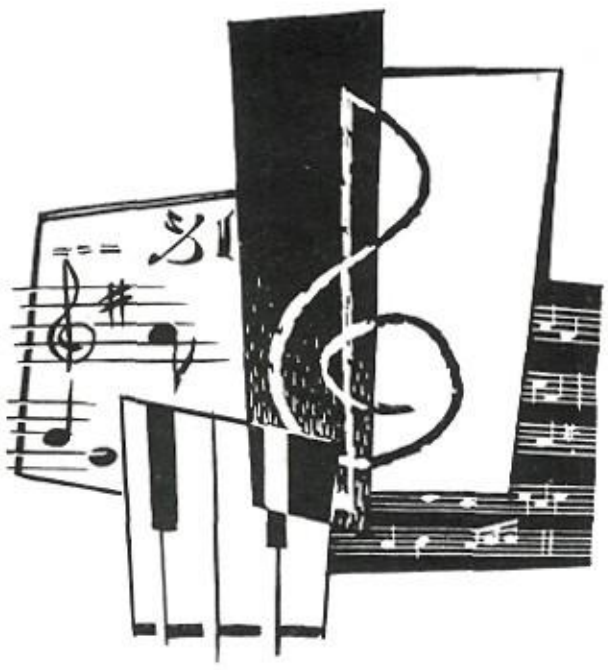
Mr. Whitson-Band Director



The Cleburne High School Chorus first started as an after school organization which was called the Girls Glee Club. It was under the direction of Mr. Bryan Duff. For two years this club met after school.

In 1946 the chorus became a full period class with credit.

Chorus not only improves their singing in general but also improves their knowledge and appreciation of classical and semi-classical music. They entertain for many organizations in the city.

Record Club

Nine years ago a group of people interested in popular music organized a club satisfying their interest. They called themselves the Record Club. At the meetings the members play popular records selected by different members of committees in the club. The purpose of the club is to enjoy popular music.

Key Club

The Key Club, closely associated with the Kiwanis Club, was started first in 1950. Its main purpose is to provide experience in living and working together. Among their many activities are collecting for the March of Dimes, taking charge of the concession stands at athletic activities, and making needed improvements in our school. The club also sponsors the Key Club-Faculty basketball game.

"A" Team

The name "Yellow Jacket" has come to be respected in many a stadium through the years, and Jackets have always worn the "black and gold" proudly. This season closed with a rather unhappy record, but statistics don't tell all. Cleburne played some of the toughest teams in the State. Any Jacket fan can be proud of their team's spirit. Even when the chips were down and the fans had lost their spirit, the Jackets played with all their hearts. We say thanks to a group of guys who gave their all for Cleburne High and of whom we should all be proud.

Steers Take Opener, 26-14

The Cleburne Yellow Jacket's novice team opened the 1962 football season against the experienced Graham Steers. From the first, the Jackets lack of experience showed through. The first quarter saw Cleburne struggling to prevent Graham from scoring.

During the second quarter, Graham gained strength and made 2 touchdowns before Cleburne took control of the situation. Ricky Hair blasted for the first score for the Jackets.

After the halftime kick-off, the Steers proved to be too strong for Cleburne. They ran the score up to 26-6. In the remaining minutes of the game, Myrtis Coleman scored for Cleburne with Fred Doerr adding 2 extra points. The final score was Graham 26, Cleburne 14.

Ricky Hair is pounded by Lions as he fights for yardage.

Brownwood-20, Cleburne-0

The Yellow Jackets were fighting Brownwood to regain their high standing in the eyes of Cleburne fans. This they did very well during the greater part of the game. Showing definite improvement, the Jackets were able to hold the Lions to one touchdown until the last quarter.

Suddenly hope sprang to life! The Yellow Jackets began to move toward a touchdown. The team clicked and moved the ball from midfield to the three yard line in only three plays. Spirit disappeared from the Jacket line, and they folded on the next three plays. Thus ended the one and only chance for Cleburne to win. Brownwood rallied during the final 4 minutes of the game and racked up 2 more scores. The game ended 20-0, and the Jacket fans faced another defeat.

Jackets Lose Third Game, 21-6

Cleburne was once more to face one of the toughest teams in the State, as the Jackets played the Paschal Panthers of Fort Worth. The Yellow Jackets started the game as the underdogs, and they remained in that position during the rest of the game.

Paschal was quick to start a move and had 2 touchdowns before the half. The Jackets resumed playing in the third quarter with renewed spirit. The big break came when Melvin Robinson recovered a Paschal fumble on the 13 yard line. A few plays later Myrtis Coleman stepped over for the only Cleburne score of the night. Paschal's pass offense began to click, and they easily raked up another score. The two teams fought to a stand-still in the last few minutes of the game, leaving the score at 21-6 in favor of Paschal.

Max Fowler goes for yardage against Paschal.

Victory! Cleburne-18, Gainesville-0

The Cleburne Yellow Jackets showed themselves to be a rough and ready team when they finally put forth the effort. Playing against the Gainesville Leopards, the Jackets had a memorable night as they won the best game of their so far rather unhappy season. The Yellow Jackets played with more spirit than any of their first games.

During the second quarter, Ricky Hair ran over for the first score of the game. Starting the second half, the Jackets proved their running ability when Freddy Doerr, Ricky Hair, and Max Fowler teamed up for a speedy touchdown. Soon after, Myrtis Coleman and Jimmy Thetford connected on a short pass for the final score of the game.

Cleburne was easily able to control the ball for the remainder of the game, leaving the score at 18-0. While watching the Jacket players leave the field at the end of the game, we had great hope for their future victories.

Lee Rebels Scrape Jackets, 14-12

The Jackets started off like a determined team by scoring in the second play of the game. Max Fowler broke loose for sixty-four yards and the score.

Tyler began to realize that the Jackets were out to win. They began a drive which was to put them ahead 7 to 6. They gained strength in the second quarter, and the Rebels led 14-6.

The Jackets scored late in the same quarter on a twenty-nine yard pass from Myrtis Coleman to Rick Hair. This touchdown set the score at 14-12 as neither Tyler nor Cleburne could muster enough strength to score again.

First District Game,

Cleburne-14, Waxahachie-6

The Jackets gathered some steam as district play began and emerged victor over the Waxahachie Indians.

The Jackets lead throughout the game as they scored a second quarter touchdown. The score was an eighteen yard dash by Fred Doerr.

The Jackets scored again in the third quarter. It was Max Fowler from six yards out.

These two scores were enough to put the game out of reach, as the Indians scored only once.

The Jackets again kept the district game winning streak alive.

Terrell Takes It, 12-7

The Terrell Tigers came to Cleburne with a strong and powerful football team and left with a close victory. This loss was Cleburne's first district setback in six years.

The Jackets played hard and trailed only 6-0 at the half. Terrell added six more in the third quarter, and these points proved to be the slight margin in the victory.

The Jackets, trying to preserve their strength, came back in the last of the fourth quarter to score. The touchdown was a 41 yard pass from Jerry Thomas to Jimmy Thetford. But the effort came too late, as the clock ran out.

Jackets Put Down By Corsicana, 21-6

Putting forth valiant effort, the Jackets faced the Tigers at Corsicana. The Jackets out played and out maneuvered the Tigers during all of the first quarter. Fred Doerr and Max Fowler advanced the ball to the 27 yard line. Myrtis Coleman faked and turned to pass the ball to Jimmy Thetford. He snagged the pass and ran all the way for a touchdown. Corsicana's Gary Roman led the attack which soon put them ahead of Cleburne. They left the field at halftime with an eight point lead over the Jackets.

After the second half kickoff, the Jackets were heavily penalized. The Tigers took full advantage of this to run up another score. The Jackets gave it all they had, but it was in vain. As the final whistle sounded, the score was 21-6 in favor of Corsicana.

Ennis Is Crushed, 34-12

The Cleburne Yellow Jackets beat the Ennis Lions to gain their third win of the year. The Jackets were clearly seen to be too strong for their foe. They were easily able to score twice before the first quarter ended. Kirk Fullerton ran over for the first score, and Ricky Hair quickly added a second touchdown to it. Hair, with the help of Fullerton and Fred Doerr, soon repeated his performance. Shortly before the half ended, the Lions were able to gather enough strength to score.

Coming back in the second half, the Jackets were greater than ever. Myrtis Coleman shot a pass to Jimmy Thetford over the goal for the score. A few plays later Doerr was able to dodge Lion players long enough to get to the 45 yard line. Hair turned this into another touchdown. The game ended with victory for the Jackets. Cleburne 34, Ennis 12.

Jackets End Season in Glory, Defeat Athens 10-8

The Cleburne Yellow Jackets ended their 1962 football season in glory and honor. The Jackets played the Hornets at Athens. They put everything they had into it and came out of the game as the victors. The drive for the first score started with Fred Doerr returning an Athens punt. Doerr, Ricky Hair, and Kirk Fullerton displayed magnificent running ability and piled up yardage for the touchdown. Doerr hit tackle for the 6 points and Hair booted a conversion for the extra point.

Athens began a successful passing series which was broken up by Benjie Rose when he intercepted a pass. Athens was halted until the last minute of the game. Then they scored and added the 2 extra points to take the lead.

Never let it be said that the Yellow Jackets quit trying before the game ends. John Rice, Jimmy Thetford, Fullerton, and Doerr each made yardage for the Jackets after the kickoff. The clock showed six seconds left to play when Hair booted a 35 yard field goal. Amazed spectators looked on as the game ended with Cleburne ahead 10 to 8.

Scenes Around C. H. S.

One more day of school completed.

The N.H.S. looks as if they may be planning something good.

The Annual Staff enjoys another Christmas party. Thanks to their sponsor, Mrs. Tyler.

After lunch, back to school we must go.

"Stand back girls! I'll protect you." (Never fear, Ronnie Martin is always here)

"Friends, Romans, and Countrymen, lend me your ears!" says senior, Ronny Martin.

Mrs. Tyler, Annual Staff Sponsor, looks as if she is enjoying herself!

Dear Mrs. Knox,

I don't really know what to say. It's all been said (and truthfully I trust). I've enjoyed very much the association with you during the past two years. It will be even better next year. To me, you are the best and most understanding teacher in CHS. You have inspired me to do things I would never have even dreamed of beforehand. It has been a very pleasant experience knowing you. I appreciate all that you've done for me and I hope that someday, in some way, I be able to return the favors.

Luff ya lots,

John

P.S. What about press cards to get in all the games free next year? YEA? YEA!!

Dear One,

Now that I have the rare opportunity to try to express to you the "what you mean to me"'s, words fail me.

If I had the wisdom of Solomon, and the talent of Sandburg, I still couldn't say exactly what I want to.

My life has been so enriched by knowing a person of your caliber. I only hope that when I leave Cleburne (and I plan to someday) the influence you have had on me will not deminish.

When you told me that I was going to be editor of the YAPPER I was ready to set the world on fire! You couldn't have said anything any more wonderful to me than that!! (even if I did have to drag it out of you)!

I was really disappointed when I didn get you for 'sept' English, but I wouldn't trade Mrs. Putman for JFK's eye teeth! It seems that everything has worked out for the best possible — it's made this year the m marvelous in my short life.

I shall always treasure the memories of the prom (it would have been nothing without you!) and all "we" did to prepare for it. With all these things in mind, Austin is top flop on the log. I sincerely hope that I can do good enough journalism work to enter some contests next year!

May God bless you and yours!

Love — Becky

RESERVED FOR BETTY, THE MORE BEAUTIFUL

Mrs. Kook,

Well, I really don't know what to say to the best Teacher I've ever had except maybe you're tops in my book. I have really enjoyed being in your journalism class this year. I may not (I know I haven't) done as well as I should have on the paper but next year my best is what I'll do (don't let me forget this).

Really you have been a real inspiration to me this year, not only in journalism but by helping me with my many problems (especially Mrs. X). Maybe next year I won't have any problems. HA! HA! HA.

This year has been on that I couldn't forget for all the money in the world. Not only was it great because of journalism and you but also because of things like RAG SHARPE, FROM and AUSTIN" I loved every minute of decorating for the Prom and was so proud of the whole thing, but, as I am sure you realize, it could have never been near as good without your supervision. You really worked hard and I can assure you I'm not the only junior who loves you for it.

Yet, I think among the top 3 or 5 honors I have received in my life, getting to go to Austin was just tops. I was really shocked and proud. Not only was it a complete blast, but I really think I got some enthusiasm that will help me to do a better job next year. I guess I'll never forget those "card-board" pizzas, stars, studs, the biology lessons and one big slip of the tongue (I mean it was a slip). I really think we will have an excellent paper next year. I don't think you could have made a wiser choice for editor. Betsy will really be great. There's no doubt in my mind.

Also we can't loose with the best spencer in Texas. You've got Ben Brock beat all to pieces in my book and always will. If ever there is anything I can do for you in return for all you've done for me, just let me know. Luck. Love ya always, Betty

Dear Mrs. Knox,

"Well, I want you to know" too. But how many things meant to be expressed by a smile, a frown, a laugh, a kiss, a glance or a hug be communicated by inadequate choice of words?

Of all the stored memories of high-school the remembrance of our friendship will warm me the most. The best thing is that a friendship can be a thing eternal that can grow and mature while memories often fade.

We've shared so many experiences and thoughts that you have become an integral part of my life and future. No other person outside my family has influenced or inspired me as you have, simply because you want me to use my few talents to their fullest extent and because you want me to have mature aspirations and ideals, I have attempted to live up to your expectations. It's comforting to know that someone cares enough to be concerned and has enough faith to become a part of my development.

Surely "The child is father of the man" and I am most indebted to you for making this child a little stronger and perhaps a little better. You've always been close in time of need to listen to problems, say encouraging words, and help improve the situation. You're a great morale booster and always [can] to know what will make me feel better.

Best of all, you're not only capable of smoothing ruffled feathers, you know

Dear Knox,

Of all the teachers I know, I think you're the greatest. (With an eye on final exams)
Journalism for me has been a unique experience — not because of the course, but because of you. Although it may have looked different, I always listened to your "sermons" (except while I was being attacked by Peggy + Suzann). It has been these little extras that brought me the most from this course.

Well, I guess I've snowed you enough, but just remember: if you ever need any help in your "battles" or in anything you do, I'll be around. This may not mean much, but it might help repay you for everything you've done for me.

There certainly been a great deal of conflict in class this year and I'm sorry that I added to some of it. But there are some (many) times I can't keep quiet. I'm afraid that I didn't do enough for the paper this year. But we hardly think about such until it's too late.

Dear Mrs. Knot,

I can't start to express how much I appreciate all the things you have done for me. I think that the last two years would have been a complete <u>bust</u>! For me if I had not been in Jour. I may not have done my best and I realize I should have done much more but I loved every minute of it. You are a

wonderful person and teacher and really learned the best I better than me! I wish you all the success in the world and I hope that you will never forget me. I know that wherever I go and whatever I do I will always have a special place in my heart for you and all the crazy, wild fun in Journalism. You have made me last two years in high school the happiest I have ever spent. I will really miss you next year, but remember me when the good ole Yapper comes out next year. Dear Mrs. Knox, I want you to come and visit Raymond and me everytime you get a chance. Well, I guess I had better close so that I can get busy and study for that hard Jour. exam.
